### **Alexandres, Bringle Join Firestone Police Department**

**FIRESTONE, Colorado** – The Firestone Police Department welcomed two new members to its team recently as Officer Amanda Alexandres and Officer Curt Bringle joined the force.

Prior to joining the department Alexandres spent a year with the Department of Corrections Parole. She was attracted to Firestone for its strong community oriented policing and opportunities to grow within the department.

Bringle brings with him just less than three years of experience. Bringle started with the Platteville Police Department in 2012, but was attracted to Firestone for its ongoing professionalism, continued training and advancement opportunities. Bringle enjoys the small town values that the Firestone community has become known for.
